Brother BU800CL Courroie de transfert originale:

Grâce à cette courroie de transfert BU800CL Brother, votre imprimante laser de bureau fonctionnera comme il se doit et vos impressions seront de la meilleure qualité possible.

La courroie de transfert BU800CL est simple à installer, fiable et durable. Nos courroies vous aideront à continuer à imprimer.

Lorsque votre imprimante vous y invite, remplacez votre courroie par un consommable Brother BU800CL afin de maintenir une qualité d'impression élevée. Si vous laissez votre ceinture actuelle dans l'imprimante au-delà du nombre de tirages recommandé, les performances seront médiocres et votre imprimante pourrait être endommagée.
